EDUCATION

Dartmouth College, Hanover, NH

Bachelor of Arts: Major in Mathematics, Major in Economics with High Honors

Magna Cum Laude

June 2022

GPA 3.9/4.0

University of Chicago, Chicago, IL

Relevant Coursework: Real Analysis (A)

May 2024

PROFESSIONAL EXPERIENCE

Market Shaping Accelerator, University of Chicago, Chicago, IL

July 2023 – Present

Research Professional

Faculty Directors: Rachel Glennerster, Michael Kremer, Christopher Snyder

- Evaluate and model cost-effectiveness of pull-funding for innovation, including estimating potential social benefits of innovation and payout needed to incentivize private investment
- Work closely with the faculty directors on economic theory of pull funding mechanism design
- Collaborate with multidisciplinary teams in designing pull mechanism policy proposals and communicate economic principles of pull mechanism policy design to policymakers

Cornerstone Research, Washington, DC

Sept. 2022 – June 2023

Analyst

- Conducted financial and economic analyses, including regression analysis, time series, and financial modeling, to support expert witness testimony in litigation matters
- Analyzed financial and economic data from various sources, including company financial statements, SEC filings, and industry reports
- Contributed to expert reports and presentations, including drafting written sections and creating graphics and exhibits to visually communicate key findings

PUBLICATIONS

“Quantifying the social value of a universal COVID-19 vaccine and incentivizing its development” (With R. Glennerster, T. Kelly, and C. Snyder), *Review of Economic Design*, 2024.

“Investing in Vaccines to Mitigate Harm From COVID-19 and Future Pandemics” (With R. Glennerster, C. Che, S. Chetik, and C. Snyder), *Disease Control Priorities 4*, forthcoming.

WORKING PAPERS

“IUDs to Degrees: The Impact of Access to Long-Acting Reversible Contraceptives on High School Graduation Rates,” available at SSRN 4944395.

“One and Done? Evidence of Gender and Racial Tokenization on Corporate Boards” (With Y. Li and E. Moon), available at SSRN 4694128.

RESEARCH AND TEACHING EXPERIENCE

Department of Economics, Dartmouth College, Hanover, NH

Jan. 2022 – June 2022

Teaching Assistant, STATA

- Facilitated individual and small group STATA tutoring sessions on data processing and econometrics
- Tutored students on how to apply economic models and econometric methods in their independent research projects in public, labor, and financial economics

CLAIRE T. MCMAHON

<https://clairetcmahon.github.io/> · ccmahon19@gmail.com · (651) 206-0456

Department of Economics, Dartmouth College, Hanover, NH

Sept. 2020 – June 2021

Research Assistant to Professors Elizabeth Cascio and Claudia Olivetti

- Investigated the relationship between women's labor supply and publicly funded childcare programs during the Works Project Administration (WPA)
- Constructed a dataset matching Census data to WPA emergency nursery school logs based on geolocation
- Conducted literature review to understand the scope of other confounding public assistance programs based on geography

Academic Skills Center, Dartmouth College, Hanover, NH

March 2019 – June 2020

Study Group Leader, Biology and Economics; Individual Tutor, Computer Science

- Facilitated weekly review sessions to further explain concepts covered in lecture in a manner suited to students' individual learning styles
- Taught problem-solving techniques that enhanced students' critical understanding of the material

Department of Mathematics, Dartmouth College, Hanover, NH

June 2019 – Jan. 2020

Research Assistant to Professor Dorothy Wallace

- Modeled tumor growth and radiation response based on cell line culture data using a system of differential equation model in MATLAB
